On the rocky hill, you will find the ruins of a strong Geto-Dacian (Moldavian ancestors) fortification and the calendar, which acted as a sanctuary for celebrating religious holidays and rituals in this prehistoric community. The originality of Orheiul Vechi’s landscape is due to the defile of the Raut river, dug under the form of a canyon in the limestone layers of the former Sarmatia sea, about 14 million years ago. Local ground is rich in monuments of old civilizations, stone tools and ruins of a middle-aged village.
17:00 - 18:00	Transfer to the hotel in Chisinau and check in
