10:00 – 11:00	<p>Excursion at Curchi Monastery</p> <p>The complex of the Curchi Monastery is surrounded by a high stone wall endowed with towers at each corner, creating the image of a fortress. The main church, built in 1810, has a monumental look, enhanced with baroque elements, yet keeping Moldavian traditional style.</p>
11:00 – 11:30	Transfer from Curchi to Orheiul Vechi
11:30 – 13:30	<p>Excursion at Orheiul Vechi</p> <p>The remnants of the first human settlements, which are some hundreds of thousands years old, were found in the stone caverns from here. On the rocky hill, you will find the ruins of a strong Geto-Dacian (Moldavian ancestors) fortification and the calendar, which acted as a sanctuary for celebrating religious holidays and rituals in this prehistoric community.</p> <p>The originality of Orheiul Vechi's landscape is due to the defile of the Raut river, dug under the form of a canyon in the limestone layers of the former Sarmatia sea, about 14 million years ago. There is one story always told in this place about the Russian pilot Yuri Gagarin, who during a visit in 1966, after getting tipsy, got lost and missed the exit. He went out the next day, having spent the night in the tasting room, currently named after him. In one of Cricova's luxurious tasting halls, a couple years ago the former Russian president Vladimir Putin celebrated his 50th birthday.</p>
