### Day 2

After a panoramic tour of the town, you will be invited to discover the ingredients of Moldovan vermouth and “Kosmiceskii” cognac from Dubasari factory. During the soviet period the „Buchetul Moldovei” wine was one of the most popular on the market. This vermouth is the older brother of the Italian „Martini” and contains infusions of more than 20 varieties of plants.

You will have lunch at “Laguna” tourist complex from Molovata Noua village. Fish soup served with mamaliga on a terrace on the bank of Nistru River will create an unforgettable atmosphere.

Next, you will visit the Curchi monastery. It is surrounded by a high stone wall, with towers at each corner, creating the impression of a fortress. The church, built in 1810, has monumental forms, with baroque elements, similar to those of „St. Andrew” cathedral from Kiev, but at the same time, preserving the traditional Moldovan style.

### Day 3

After breakfast you will have a walk in Calarasi Codri. Here, lost among birch alleys, Hirjauca old monastery is located. For over a hundred years it was the summer residence of the bishop of Moldova. Drinking crystalline water from the monastery fountain you will feel refreshed and ready to continue the trip to „Casa Parinteasca” pension from Palanca village, where you will get to know Moldovan traditional costumes and our ethnographic customs. You will have the chance to taste some dishes from the local traditional peasant cuisine. The meals will be served with special homemade wine and with a cup of herbal tea.

Afterwards, you will have the occasion to taste in one of the restaurants of Chisinau some Divin, which represents the name, patented in the Republic of Moldova, for the local brandy, produced in conformity with the classical technology of cognac production.

### Day 4

In the morning you will begin discovering the mysteries of Chitcani monastery. Here you can admire the picturesque landscapes of our country from the height of bird flight, from the top of the highest bell tower in Moldova. You will definitely appreciate the monastery museum where old icons and religious books are kept.

In Tiraspol you will have the opportunity to travel in time back to USSR. You will start by visiting the monument of Vladimir Lenin and tanks left from the Second World War. The city seems to be a ghost of the Soviet past. Nevertheless, you will be amazed by the contrasts, one of which is the football complex „Sheriff” – a pearl of contemporary architecture.

After a ride on the Nistru River, we will stop at „Kvint” Cognac Factory. Harmony, refinement and tradition underlie the oldest and most genuine spirits – Doina, Surpriznii, Suvorov, and of course the 50 years old “Cneazi Vitghenstein”. Offer yourself the opportunity to be one of the people who have tasted these cognacs.

### Day 5

After breakfast, you will have the possibility to walk around Chisinau for a while and buy cognacs you loved most during your stay in Moldova. Soon a representative of our company will take you to the Chisinau International Airport to return home
